

PEP Legal Access Hotline

PEP is pleased to announce a new benefit for its Members: PEP Legal Access Hotline!

NEW FOR 2019:

Every member of the Pool is now eligible to receive
up to 90 minutes of free legal consultation per year!

What is it?

Authorized PEP member representatives seeking legal consultation services may now call the **PEP Legal Access Hotline** to request up to 90-minutes of free advice, guidance, or information on various legal subject matters. An independent team of legal professionals is ready and available to professionally and promptly support and service the legal inquiries of our members.

How does it Work?

Members are invited to call the hotline and provide a brief description of the nature and extent of the service requested. Upon authorization, the caller's information will be routed to a full-service law firm for an attorney to contact the member directly. Handling attorneys will track the time utilized by each PEP member and deliver notice when the 90-minute time limit has been reached. At that time, an alternative course of action and/or a range of possible options will be discussed. If a member desires to extend service beyond the allocated time, continual service may be provided pursuant to PEP's Legal Access program at the member's expense.

Where do I Access?

Call the hotline any time at **877-250-5545** to take advantage of this resourceful and complimentary legal service!
