

PEP Legal Access Help Line

Every member of the Pool is eligible to receive up to 90 minutes of free legal consultation per year, as a benefit of PEP Membership.

What is it?

Authorized PEP member representatives seeking legal consultation services may now call the **PEP Legal Access Help Line** to request up to 90-minutes of free advice, guidance, or information on various legal subject matters, such as:

- Human Resource Related Questions
- Zoning
- Open Records
- Open Meetings
- Waiver Forms
- Hold Harmless Agreements
- Review of Contracts
- Nuisance Complaints

An independent team of legal professionals is ready and available to professionally and promptly support and service the legal inquiries of our members.

How does it Work?

Members are invited to call and provide a brief description of the nature and extent of the service requested. Upon authorization, the caller's information will be routed to a full-service law firm for an attorney to contact the member directly. Handling attorneys will track the time utilized by each PEP member and deliver notice when the 90-minute time limit has been reached. At that time, an alternative course of action and/or a range of possible options will be discussed. If a member desires to extend service beyond the allocated time, continual service may be provided pursuant to PEP's Legal Access program at the member's expense.
