SUBMIT PHOTOS THAT SHOWCASE YOUR MUNICIPALITY OR PUBLIC ENTITY

Want to see your photography come together with other PEP members' images to add interest and intrigue to the 2024 PEP Member Calendar? Great, then get to it!

Once again, PEP members have the opportunity to showcase the best your public entity has to offer by submitting photos to be considered for publication in the 2024 PEP calendar. We are seeking submissions for each month to feature unique images highlighting a variety of PEP member locations, people and activities - all marked by Ohio's seasonal changes in weather, ecology, and amount of daylight.

Submit your entries via e-mail as a jpeg attachment to:
calendarphotos@pepohio.org.

Purpose.

To form a local government risk pool, to provide for a joint or cooperative action by Members relative to their financial and administrative resources for the purpose of providing risk management services and risk-sharing facilities to the Members and to the Members' employees, and to defend and protect any Member of the Pool against liability.

Commitment.

The Public Entities Pool of Ohio (PEP) was designed to offer Ohio public entities liability and property coverage at a fair and stable price. PEP has met this goal. The PEP program is endorsed by the Ohio Municipal League (OML), Association of Ohio Health Commissioners (AOHC), the Ohio Parks & Recreation Association (OPRA) and the Coalition of Ohio Regional Districts (CORD). PEP is the oldest public entity pool in Ohio, with more than 600 Members.

Winter Driving Tips

Driving in winter conditions can be challenging even for experienced drivers. Special preparations like those below will help members navigate safely.

Drive Slowly!

It's harder to control or stop your vehicle on slick or snow-covered surfaces. Increase your following distance so you'll have plenty of time to stop.

Fuel Up

Always keep at least half of a tank of gasoline in your vehicle.

No Cruise Control

Do not use cruise control when driving on slippery surfaces covered with snow, ice or rain.
