Purpose.

To form a local government risk pool, to provide for a joint or cooperative action by Members relative to their financial and administrative resources for the purpose of providing risk management services and risk-sharing facilities to the Members and to the Members' employees, and to defend and protect any Member of the Pool against liability.

Commitment.

The Public Entities Pool of Ohio (PEP) was designed to offer Ohio public entities liability and property coverage at a fair and stable price. PEP has met this goal. The PEP program is endorsed by the Ohio Municipal League (OML), Association of Ohio Health Commissioners (AOHC), the Ohio Parks & Recreation Association (OPRA), and the Coalition of Ohio Regional Districts (CORD). PEP is the oldest public entity pool in Ohio, with more than 600 Members.
